

Sponsor (GaRID) Initiated Activities

Sponsor Initiated Activities are developed by a Sponsor and presented for group instruction or for individual study. Examples include short courses, workshops, seminars, conferences, teleconferences, and distance learning (e.g., continuing education publications, teleconferences, multi media instruction materials, and programmed learning materials) (see Section VI).

All presenters must complete the Instructor Form and submit to the GaRID CMP Chair no later than 30 days before the activity.
